Weaving Direction:

Orient your weave as shown.
This section represents the socket.
Following the diagram above,
continue weaving along the top edge,
in the direction of the arrow,
to complete the bulb.

Key:

-  Main Color Jump Rings (1 Large and 1 Small)
-  Black (Light Socket) Jump Rings (1 Large and 1 Small)
-  Silver (Highlight) Jump Rings (1 Large and 1 Small)
-  1 Large Main Color Jump Ring + 1 Small "Glow" Color Jump Ring
-  1 Small "Glow" Color Jump Ring Only (omit Large jump ring)
-  1 Small Main Color Jump Ring Only (omit Large jump ring)

Notes:

Instructions for weaving Dragonscale are not included here.
See Weaving Direction instructions (left) for proper orientation.
Each square of the diagram represents 1 Large + 1 Small jump ring.
Choose 1 Main Color (red used in this diagram).
Choose 1 "Glow" Color (pink used in this diagram).
Choose your favorite Dragonscale jump ring size combination and weave away!
Use 1 Extra-Large jump ring to gather the jump rings at the socket end of the bulb.

Supplies:

	Main	Glow	Highlight	Socket
#Large Jump Rings:	52	0	3	14
#Small Jump Rings:	37	17	3	14
+1 Extra-Large Jump Ring (use what works best with the jump ring sizes you have chosen).
